TO WHOMSOEVER IT MAY CONCERN

I am using the service of Fujirebio India private limited for sending 40 samples in serum form for specialized testing to Fujirebio Inc. Japan located at 51 Komlya-machi, Hachioji-shi, Tokyo 192-0031, Japan.

These samples might be infective for HIV or HBV (NOT cultures), HCV or TP virus.

We are handling over the samples to Fujirebio India Pvt. Ltd. for the same.
